

Aura'Arte Lights

CATALOGUE 2025

Index

- Best-in-class designs. Latest trends from all over the world.
 - Carefully chosen products that stand out for their aesthetics, design and output.
 - Every product showcases simple geometry and uncluttered form factor.
 - Light characteristics, optics and thermal considerations are incorporated in the designs.
 - Customisable as per requirements.
 - Manufacturing products of global standard.
 - Premium components with the highest level of quality testing.
